Jesuit Connection:

Campion College has the distinct honour of being the only undergraduate Jesuit educational institution in Canada. At the beginning of December, we will begin to celebrate our 100th year. Jesuit institutions are recognized internationally for their high academic standards.

The Jesuit philosophy of education centers on providing an atmosphere of open inquiry that unites rigorous scholarship and academic excellence with ethical values and service to others.

The Jesuit approach to education begins with a respect for every person and a desire to develop leaders who are concerned about society and the world in which they live. Jesuit institutions are characterized by a common world-affirming outlook that seeks to prepare students for committed service as globally-minded and socially conscious citizens.

Beginning next week, we will take space to look at four key characteristics of a Jesuit education:

- 1) Striving for more (magis);
- 2) Care for the whole person (cura personalis);
- 3) Leadership in service (men and women for others);
- 4) Promoting Justice

CCSA (Canadian Catholic Students Association)

The National Canadian Catholic Students Association Leadership Conference, “You Are Chosen”, is to be held October 27-30th in Charlottetown, PEI. Four delegates from Campion will be attending: Derek Cameron, Monica Couture, Marion Idun, and Moreen Ogwenyi.

Campion is a member of this national association, founded in 1946, to unite Catholic students from campuses across Canada. The CCSA is a crucial link for established Catholic campus ministries and emerging Catholic communities. We represent Canada in the International Movement in Catholic Students (IMCS) – Pax Romana. Our core purpose is to unite students who witness to the Gospel on campus.

Please pray for the delegation as they represent Campion in Charlottetown.

Bible Study

Unlocking the Mystery of the Bible — Sundays at 4:30 p.m.

— Last week revisited at 3:45 p.m.

For newcomers to the Bible Study, please come to the auditorium at 3:45 on Sunday. We will re-play the video lesson from the previous week.

This 8-week bible study is a video series followed by discussion. Explore the story of salvation history from Creation and the Fall through the coming of Christ and the beginnings of the Church.

Marian Month

October as a “Marian month” must be understood within the context of the liturgical year and always through her relationship as God-Bearer to Jesus. Since the Memorial of Our Lady of the Rosary occurs on October 7th each year, during the month of October, we pay special attention to the Rosary. In the chapel you will find copies of the Scriptural Rosary which you may wish to meditate with during quiet times. There are also some extra rosaries in the Blessed Sacrament Chapel.

October as Reverence for Life Month

In 2013 Archbishop Daniel Bohan established the Commission for the Reverence for Life. It has as its mandate “the promotion of reverence for human life in all its stages within the Archdiocese of Regina.” This week you will receive the third of four reflections to help us to accept, celebrate, and witness that Life is a Gift.
